

CT Hemophilia Society Board meeting. November 16, 2015.
Via Phone

Meeting opened at 7:05.

Jennifer Banks
Stacie Hebert
Maryann May
Sharon Liss
Dennis Mackey

Treasurer Report attached

Discussion focused on the Annual Meeting coming up in December.
Agenda attached.

We will hold a board meeting in the morning at 8:30 prior to the start of the event at The Crowne Plaza.

There was some discussion on the "What's New" session which will present new treatments and products. Originally we were scheduled to have Sallie Pels present but due to timing we will look into a different presenter or some other session.

Maryann discussed the sponsors and exhibitors we already have and those that have been contacted and we are awaiting a response. We have a good turnout promised.

Rooms for Saturday have been blocked out. Paying members will be comped \$50 toward their rooms. Book through the hotel itself, mention CHS Annual Meeting.

Kid's activities are booked. A hands on animal presentation in the morning and the ever popular game truck in the afternoon. The kids schedule and lunch is set.

We'll start getting the meals and sponsor signs ready for print in the next couple of weeks.

When posting the event on face book or sending emails we'll ask attendees to rsvp through the info@cthemophilia.org email. They will need to include the children's ages and gift suggestion. Gifts to cost up to \$10.

Changes and additions to the website.

Question of the ability to do memberships via the pay pal account on the website.

Posting the Annual Meeting flier prominently with registration information.

Time to start really putting the Alpine Walk in the lime light!

On the information page, add something about Von Willebrands. *after researching it, we find that there is information on this on the web page*

Meeting closed at 7:40
